

POWERED BY synergy

We invite you to give the gift of *life this Christmas*

The Lights for Lifeline tree, a beacon of hope, will be returning to Yagan Square in 2019. Lit with more than 47,000 lights, the tree represents the number of Western Australians who found support from Lifeline WA by calling 13 11 14 over the last 12 months. As well as representing lives saved, the tree aims to lift the spirits and encourage all Western Australians to reach out if they are struggling this Christmas.

Support for last year's Lights for Lifeline means that more than 47,000 Western Australians are still with their loved ones to celebrate Christmas this year. With a recent study from KPMG revealing that suicide rates are expected to increase by 40% by 2030, the importance of Lifeline WA's ability to fund growth in calls answered is ever increasing. We invite you to support the 2019 Lights for Lifeline campaign and show the community, including your employees, that you stand alongside Lifeline WA, in our quest to be there for all Western Australians who seek help in their time of need by calling 13 11 14.

The true value of your support for the 2019 Lights for Lifeline is the lives that you help Lifeline WA save this Christmas.

Please refer to the second page for details on pledge options.

A handwritten signature in black ink, appearing to read 'Lorna MacGregor'.

Lorna MacGregor
Lifeline WA, CEO
